1:00 **Prayer of Confession**

ALL: Lord, we know that so many people are not welcomed. We only need to watch the news to see the people who are not welcome in society. In church we don't intentionally exclude people, but when we don't welcome others or only speak with familiar faces, others feel excluded. Forgive us, we pray. Help us see in new ways. Amen.

1:00 **Words of Assurance**

Liturgist: Jesus time and time again, cautions his followers to welcome the stranger. The early church showed new ways to extend hospitality. They continually reminded each other, and redesigned the way they organized to assure that all people were welcome, accepted and brought into the church. As we journey together, let's make certain to always re-form ourselves to be the people of God, welcoming all! When we do, we are God's Kingdom.
