1:00 Call To Worship

Liturgist: Rev. Doug McKinney

Leader: The world is the world, and you are you. Bring us clarity, O God –

People: to see the places where this definition is important, and where it is a growing edge.

Leader: Brings us peace, O God –

People: as we walk this path towards better understanding all that you are and the places you can be found.

Leader: Forgive us, O God –

People: when we stumble along that path and in doing so hurt the other.

Leader: Send your Holy Spirit to us, O God –

People: that we may see your world of contrasts and differences as you do. Beautiful, beheld, and beloved.

1:00 Unison Prayer

ALL: God of every place, we come here now expecting to meet you in sacred worship. As you do, fill us with a sense of your presence. Break down the walls in our hearts and minds that we have built to keep you contained. Challenge us to recognize your movement in the world around us, especially in the places where we don't expect you to be. Help us not to miss you and most importantly, not to write off any of our siblings who are – each and every one – your beloved children. Amen.
