1:00 Call To Worship

Liturgist: Kyle Snoich

Leader: People of God, remember what Jesus taught us: The birds of the air neither sow nor reap,

People: Still, God our Creator feeds them.

Leader: The lilies of the field neither toil nor spin,

People: Still, God our Creator clothes them in beauty.

Leader: If God cares for the birds and the flowers, then God will care for us.

People: Let us seek first the kingdom of God and God's righteousness.

Leader: God will provide all the rest.

1:00 Offering Our Gifts to The Lord - Breakthrough Prayer

Optional Introduction to the Offering:

Liturgist: Researchers at Harvard Business School University were trying to show the connection between income and happiness. So, they created a scale of 1-10 with 10 being extremely happy. They then asked 2000 millionaires to fill out the scale, asking how much money they would need to achieve a 10 on the scale. The most frequent answer was "double"... and this didn't just hold for people whose net worth was one million dollars. Even many of those who had a net worth of more than 7 million dollars said they would need double what they had to achieve optimal happiness. This goes to show that when happiness or contentment is tied to income, you will never get there. In the kingdom of God, contentment and joy come when we understand that all we have is a gift from God that we get to enjoy and share with others. When you give financially, you are blessing others practically. Spiritually, you are expressing your trust in God, who is the giver of all good gifts.

Breakthrough Prayer:

ALL: O God, we offer ourselves to you. We are your people and this is your church. Use our gifts and breakthrough in new ways as we seek to love our neighbors and be a beacon of Christ-centered hope to our community. In Jesus' name we pray. Amen
